

## Nobody's Got Time For This?

**The Bad News:** Nothing can ruin a summer vacation like an unexpected illness while on vacation or traveling.

**The Good News:** You can take our Doctors with you, virtually anywhere. Unlimited Doctor visits for you and the entire family with **No-CoPay**.

Online doctor visits just got easier! Have an immediate consultation with a U.S. board-certified doctor using your smartphone, tablet or computer. Get treated for a sore throat, allergies, flu, fever and more. You can even get a prescription while on the road.
